Subject: Options paper for WY RH hearings
[Wyoming Regional Haze Schedule.docx](#)

Hi – Carl asked me to throw together the attached at the last minute before the RA briefing today. Just sending it in case either of you need it down the road. For Laurel’s benefit, Carl started out the briefing with an off-the-cuff summary of what the state folks are asking for including the 60-day public hearing delay, two hearing locations, and the 30-day public comment period extension.
